Welcome to the first Medilodge of Leelanau family newsletter. As we embrace our new name and company, you should see very little changes in the day-to-day life of your loved ones. You may have noticed some new faces around our center, so please stop in and introduce yourself. Later in this letter are two letters from our new Administrator and Director of Nursing. We look forward to continuing providing excellent care with our new name and new leadership.

Summer is here and as we continue to build our team, we would also like to see our Medilodge family grow. We have an open door policy, meaning we are available and here to listen to any concerns or ideas that you may have. We encourage you to join your loved ones for special events, scheduled daily activities, or just come in for a visit. Available for visiting are our spacious dayrooms, courtyards, or fireplace area.

It is our goal and mission to provide our guests with the best possible care. As we focus on person centered care, we strive to promote healing for the mind, body and spirit. Family involvement is an important aspect of our person center care plans and we encourage family and friends to stay involved.

Flowers & Veggies & Herbs, Oh My!

We planted our raised garden beds! Make sure to check out the courtyards and enjoys all the beautiful colors and smells. Our faithful resident Bob Ingles, enjoys watering the gardens and keeping them pruned and free of weeds.

We are always looking for more volutneers to help weed the beds. If your able to spend some time, we would welcome your helping hands.

We are looking forward to enjoying fresh tomatos, green beans, and fresh herbs all summer long.

Medilodge Ministries

We provide many spiritual opportunities at Medilodge of Leelanau. Each resident has the opportunity to participate in spiritual activities and religious services of their own choosing. Pastors from many local churches volunteer their time to minister to our residents in the name of Christ to help them grow and maintain their faith within the walls of Medilodge.

Families and friends are always welcome to attend any service. Listed below are the Churches that are currently involved with Medilodge Ministries.

T.A.R.T Trail Walks

It is that time of year again when we will start utilizing the beautiful T.A.R.T. trail for our regularly schedule trail walks.

The 17-mile Leelanau Trail provides a paved off-road connection between Traverse City and Suttons Bay. It runs through the last of Leelanau County's former railroad corridors. The Leelanau Trail features beautiful forests, farms, vineyards, and streams.

****If you would like your loved one to go on regularly scheduled trail walks, please call the facility and give a one-time verbal consent at extension 17.***

Visiting Pets

Medilodge of Leelanau recognizes that animal/pets offer companionship and emotional support. We welcome visits from family pets anytime but before visiting, please follow these requirements.

- Current and complete medical record on file for vaccinations and immunizations.
- Remain on a leash, in control, and supervised at all times.
- Visiting pets cannot stay overnight.
- Remain clean and well groomed.
- In good standing health.
- Please clean up after your pet.
